

MULTICLIP

MULTICLIP 53 SE  
RENTAL

## Multiclip 53 SE Rental

A self-propelled lawnmower with electric start and the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

The lawnmower is very well equipped with self-propelled operation, a robust aluminium deck with a 20 years warranty\*, wheels in aluminium, adjustable handle for cutting close to walls, central height adjustment and friction blade holder that protects the engine if you hit solid objects. The unique Anti Vibration System gives very low vibrations in the handle.

The noise effect is very low, 93 dB(A). A reduction of 3 dB(A) reduces the noise by half.

Equipped with an environment friendly and powerful 5,0 hp motor. Cutting width is 51 cm.
